The History Department

YEAR 9 SCHEME OF WORK (2026-2027)

Curriculum Planning & Lesson Companion

Key Stage 3 Curriculum Intent & Pedagogical Architecture

1. Curriculum Rationale & Local Maritime Heritage

Our Key Stage 3 history curriculum is intentionally constructed to link national and global historical narratives with the distinctive maritime geography and lived environment of The History Portal pupils. From the industrial revolution of the Fareham ironmaster (Henry Cort at Funtley) to the strategic supremacy of Portsmouth Royal Dockyard and the profound sacrifices recorded on the Stubbington village war memorials, history is made tangible, relevant, and deeply rooted in our coastal community.

2. Disciplinary Progression & Historical Enquiry

Across Years 7, 8, and 9, disciplinary thinking progresses sequentially to secure the foundational skills required for GCSE excellence:

- **Chronological Rigour & Global Encounters:** De-centering traditional anglocentric narratives by examining early global trade, Indigenous perspectives in Australia, and African resistance to the Transatlantic Slave Trade alongside British social transformations.
- **Causation & Consequence:** Moving from simple direct triggers in Year 7 to evaluating multi-tiered, long-term geopolitical catalysts (e.g. European alliance systems, naval arms races).
- **Source Utility & Forensic Evidence:** Progressing from basic comprehension to rigorous interrogation of provenance, evaluating authorial motive, audience, and historical reliability.
- **Historiographical Debate:** Engaging pupils with active academic debates (e.g., assessing the Magna Carta, or challenging the 'Lions led by Donkeys' narrative of the Great War) grounded in historical evidence.

3. Adaptive Teaching, Dual Coding & Inclusion

Pupils work through bespoke printed A4 workbooks closely paired with our digital learning portal. Standardized PEE/PEEL Structure Strips, Causal Connective Banks, consistent dual coding, and digital accessibility features offload working memory, ensuring all SEND and lower-attaining pupils achieve ambitious historical progress with zero cognitive overload.
