

YPRES 1914–1918: FLANDERS FIELDS & LOCAL HERITAGE

A 3-Day Immersive Battlefield Study Tour · Thursday 1st – Saturday 3rd October 2026

Base: Peace Village Hostel
Heuvelland, Belgium

THE CORE MISSION Connecting Our Village to the Memorial Walls of Flanders

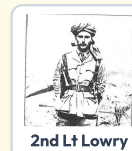

On this expedition, our pupils are not passive tourists—they are field historians carrying a profound local mission. Back home inside **Holy Rood Church, Stubbington**, carved into the marble Great War Memorial Tablet and the oak tie-beams of the village lychgate, are the names of three brothers from Manor Way Grange, Lee-on-the-Solent: **William, Cyril, and Eric Lowry**. All three gave their lives across different fronts.

"How did three sons from one coastal Hampshire family answer the call across Gallipoli, Arras, and the Somme—and how did six young men from our quiet village come to rest upon the ramparts and mud of Flanders?"

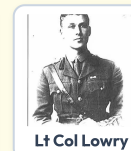

During our 3 days, pupils will physically locate and touch the carved names of our local fallen—including **Pte Franklin** and **Pte Ayling** on Menin Gate Panel 35, and **Pte Muckett**, **Pte Rye**, **LCpl Ward**, and **Pte Warland** on the rear panels of Tyne Cot.
