Living Timeline Protocol: Throughout this unit, illustrate each historical milestone inside its dedicated sketchpad box below. Use the dual-coding prompt to combine symbolic diagrams, causal arrows, and key dates.

NOV 1917 • The Balfour Declaration & Contradictory British Promises

Key Topic 1.1

British Foreign Secretary Arthur Balfour writes to Lord Rothschild promising British support for the establishment of a "national home for the Jewish people" in Palestine. This directly contradicts Britain's 1915 pledge to Sharif Hussein of Mecca and the secret 1916 Sykes-Picot Agreement dividing the Middle East with France.

MILESTONE SKETCHPAD: *Sketch a balance scale weighing Balfour's letter (1917) against the McMahon-Hussein pledge (1915), or map the Sykes-Picot partition line.* DUAL-CODING

JULY 1946 • The Bombing of the King David Hotel, Jerusalem

Key Topic 1.2

Disguised as milkmen, militants from the Zionist paramilitary group Irgun, led by Menachem Begin, detonate 350kg of explosives in the basement of the King David Hotel. The blast collapses the entire south-west wing housing British military headquarters, killing 91 British, Arab, and Jewish staff.

MILESTONE SKETCHPAD: *Sketch the hotel facade with milk churn explosives in the basement, an outward blast wave, and Irgun's paramilitary emblem.* DUAL-CODING

NOV 1947 • UN Resolution 181 (The Palestine Partition Plan)

Key Topic 1.3

The United Nations General Assembly votes 33 to 13 to terminate the British Mandate and partition Palestine into separate Arab and Jewish states, with Jerusalem placed under international United Nations trusteeship. The Jewish Agency accepts; all Arab nations reject the plan, triggering civil war.

MILESTONE SKETCHPAD: *Sketch an outline map showing the partitioned Arab (43%) and Jewish (56%) zones, with Jerusalem under a UN emblem.* DUAL-CODING

"Diplomacy 101: Never promise the exact same slice of land to three different people at once."

LIVING TIMELINE • PART 2: STATEHOOD, THE NAKBA & THE SUEZ CRISIS (1948–1956)

Living Timeline Protocol: Complete each milestone sketchpad using dual-coding (combining visual symbols, causal arrows, and dates) to master the chronological spine.

MAY 1948 • Declaration of Independence & The 1948–49 Arab-Israeli War

Key Topic 1.3

On 14 May 1948, David Ben-Gurion proclaims the State of Israel as British forces complete their evacuation. The next day, five Arab states (Egypt, Transjordan, Syria, Iraq, Lebanon) invade. Israel survives initial assaults, re-arms during the June UN truce via Czechoslovakia, and signs armistices along the 1949 Green Line.

MILESTONE SKETCHPAD: *Sketch Ben-Gurion declaring statehood beneath the Star of David, with 5 converging Arab invasion arrows repelled to the 1949 Green Line.* DUAL-CODING

1948–1950 • The Palestinian Refugee Crisis (Al-Nakba) & Law of Return

Key Topic 1.4

Approximately 700,000 Palestinian Arabs are displaced into permanent exile (Al-Nakba), supported by the newly formed UNRWA in Gaza, the West Bank, Lebanon, and Syria. Simultaneously, Israel passes the 1950 Law of Return, absorbing over 680,000 Holocaust survivors and Mizrahi Jewish refugees from Arab lands.

MILESTONE SKETCHPAD: *Sketch a split diagram: Palestinian refugee tents / UNRWA ration cards (left) vs immigrant ships arriving under the 1950 Law of Return (right).* DUAL-CODING

OCT–NOV 1956 • The Suez Crisis & The Protocol of Sèvres

Key Topic 1.5

Following Nasser's nationalisation of the Suez Canal, Britain, France, and Israel secretly sign the Protocol of Sèvres. Israel invades the Sinai on 29 October; Britain and France intervene to "separate the combatants" and seize the canal. US financial ultimatums force a humiliating Anglo-French withdrawal, leaving UNEF peacekeepers in Sinai.

MILESTONE SKETCHPAD: *Sketch a tripartite causal flowchart: Israeli Sinai strike → Anglo-French canal landing → US economic ultimatum forcing withdrawal.* DUAL-CODING
