The History Department

YEAR 11 SCHEME OF WORK (2026-2027)

Curriculum Planning & Lesson Companion

Key Stage 4 Curriculum Architecture & Edexcel GCSE Specification

Pearson Edexcel GCSE (9–1) History Specification (1HI0)

The History Portal delivers a balanced 4-unit curriculum covering thematic development, British depth, period conflict, and modern world history:

Exam Paper & Topic	Assessment Focus	Weighting	Format & Marks	Taught Cohort
Paper 1 (1HI0/11): Medicine in Britain (c.1250–present) & Western Front (1914–18)	Thematic Study & Historic Environment	**30%** of GCSE	1 hr 15 mins 52 marks (incl. 4 SPaG)	Year 11
Paper 2 (1HI0/26): Conflict in the Middle East (1945–1995)	Period Study	**20%** of GCSE	50 mins 32 marks	Year 10
Paper 2 (1HI0/26): Early Elizabethan England (1558–1588)	British Depth Study	**20%** of GCSE	55 mins 32 marks	Year 11
Paper 3 (1HI0/31): Weimar and Nazi Germany (1918–1939)	Modern Depth Study	**30%** of GCSE	1 hr 20 mins 52 marks (incl. 4 SPaG)	Year 10

Assessment Objectives (AOs)

- **AO1 (35%):** Demonstrate knowledge and understanding of key features.
- **AO2 (35%):** Explain and analyse events, causes, consequences, and change.
- **AO3 (15%):** Analyse, evaluate, and use contemporary sources.
- **AO4 (15%):** Analyse and evaluate historical interpretations in context.

Standardized Question Frameworks

- **4-mark Consequence:** PEE structure (immediate & long-term).
- **8-mark Narrative:** 3-phase chronological causal flowchart.
- **8-mark Importance:** Analytical criteria for historical impact.
- **2+2 Features:** Concisely identifying and developing features.
- **8-mark Utility:** Evaluating content and provenance (Author/Audience/Motive).
- **16+4 Judgement Essays:** Evaluative criteria with sustained balance.

Mastery Methodology: GCSE pupils utilize printed Edexcel Mastery Booklets featuring 3-tier models, formula stamps, and walking-talking mock rehearsals, ensuring complete familiarity with mark schemes and timing constraints prior to the final examinations.

Paper 1: Medicine Through Time with the Western Front

Year 11 | How has medicine changed from c1250 to the modern day?

SPIRAL CURRICULUM THEMATIC STRANDS (VERTICAL DISCIPLINARY PROGRESSION) CHRISTINE COUNSELL CURRICULAR THREADS

SOVEREIGNTY & POWER
State institutions, governance, authority and constitutional development

TRADE & TECHNOLOGY
Economic engines, technical innovations and overseas geopolitical interactions

IDEOLOGY & CAUSATION
Religious beliefs, philosophical movements and drivers of historical change

RESISTANCE & AGENCY
Popular protest, social struggle, rights development and civilian agency

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 1 **KT1.1: Supernatural & Religious Explanations of Disease (c1250–c1500)** 🎯 CHANGE & CONTINUITY (MEDIEVAL ETIOLOGY & GALEN)	• Explain how church control of scriptoria, education, and universities enforced Galenic orthodoxy. • Analyse why illness was interpreted as divine retribution and evaluate the treatment of biblical lepers. • Assess how Christian theology reconciled planetary astrology with medical diagnosis and phlebotomy. • Explain why sick medieval people turned to pilgrimage shrines and saints' relics rather than doctors. • Evaluate why the Church's adoption of Galen's teleological design halted anatomical inquiry for centuries. ***Hinge Q: Why did monastic scriptoria make it almost impossible for independent medical discoveries to emerge?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The Doom Painting of St Thomas's Church, Salisbury (c.1475); Source B: The 'Zodiac Man' (Homo Signorum, c.1380) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Analyse why illness was interpreted as divine retribution and evaluate the treatment of biblical lepers. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**
Lesson 2 **KT1.2: Rational Explanations: Hippocrates, Galen & The Four Humours (c1250–c1500)** 🎯 SOURCE UTILITY & CLINICAL OBSERVATION (RENAISSANCE)	• Explain how Hippocrates established clinical observation and natural causes in Ancient Greece. • Analyse the Four Bodily Humours and explain why the theory seemed universally logical to medieval society. • Demonstrate how Galen's Theory of Opposites provided practical treatment rules for university physicians. • Evaluate the diagnostic role of uroscopy and the glass matula flask in establishing physician authority. • Assess Miasma Theory and explain why rational doctors linked noxious environmental odours directly to epidemics. ***Hinge Q: How did Hippocrates's concept of natural observation revolutionise the role of the ancient physician?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The Four Humours Wheel (Tacuinum Sanitatis, 14th c.); Source B: Physician Inspecting Urine Flask (Fasciculus Medicinae, 1491) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the diagnostic role of uroscopy and the glass matula flask in establishing physician authority. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**
Lesson 3 **KT1.3: Approaches to Prevention & Treatment: Rituals, Bleeding & Purging (c1250–c1500)** 🎯 TURNING POINT ANALYSIS (GERM THEORY & ANTISEPTICS)	• Explain why religious rituals, prayer, and flagellation remained the primary treatments for ordinary people. • Analyse why bloodletting (phlebotomy) was the most universal physical treatment deployed across medieval society. • Demonstrate how digestive purging (emetics, laxatives, and clysters) aimed to restore bodily equilibrium. • Assess herbal remedies, garden simples, and the universal panacea known as Theriac. • Evaluate preventive regimens (Regimen Sanitatis) and clean air measures among the wealthy nobility. ***Hinge Q: Why did medieval patients regard communal prayer and fasting as more vital for recovery than calling a doctor?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Phlebotomy / Bloodletting Manuscript (MS Sloane 1977, c.1300); Source B: Portrait of Claudius Galen (Engraving) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate preventive regimens (Regimen Sanitatis) and clean air measures among the wealthy nobility. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 4 **KT1.4: Medical Care Providers & Monastic Hospitals: 'Care Not Cure' (c1250–c1500)** 🎯 CAUSATION & SCIENTIFIC DISCOVERY (ANTIBIOTICS & NHS)	• Explain why university-trained physicians were accessible only to royalty and the ultra-wealthy. • Analyse how guild apothecaries provided accessible herbal medicines to townspeople. • Evaluate the lower social status and surgical duties of medieval barber-surgeons. • Assess why medieval monastic hospitals deliberately focused on spiritual 'care not cure'. • Explain why the vast majority of ordinary peasants relied entirely on female family members and wise women. ***Hinge Q: Why did university-trained physicians refuse to perform manual surgical operations or cut into living flesh?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Medieval Surgeon Suturing a Head Wound (14th c.); Source B: Hôtel-Dieu Hospital Ward (Livre de Vie Active, c.1482) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the lower social status and surgical duties of medieval barber-surgeons. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**
Lesson 5 **KT1.5: Case Study: Dealing with the Black Death (1348–1349)** 🎯 HISTORICAL ENVIRONMENT (WESTERN FRONT MEDICAL LOGISTICS)	• Explain how maritime trade routes introduced the Black Death into southern England at Melcombe Regis in 1348. • Distinguish between the clinical symptoms and mortality rates of bubonic and pneumonic plague. • Analyse why medical treatments (hot knives, strapped chickens, emerald potions) completely failed. • Evaluate King Edward III's 1349 cleanliness order and civic attempts to combat pestilential miasma. • Assess the demographic collapse, mass emergency burial pits, and long-term socio-economic breakdown of feudalism. ***Hinge Q: How did trade routes and shipping unwittingly create the perfect transmission corridor for the Black Death?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Citizens of Tournai Burying Plague Victims (1349); Source B: Plague Victim with Groin and Armpit Buboes (1497) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate King Edward III's 1349 cleanliness order and civic attempts to combat pestilential miasma. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**
Lesson 6 **KT2.1: The New Spirit of Enquiry: Humanism, The Printing Press & The Royal Society (c1500–c1700)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain how Gutenberg's printing press transformed the communication of medical ideas across Europe. • Assess how the Royal Society and its journal Philosophical Transactions established the empirical scientific method. • Analyze the Renaissance Paradox: why revolutionary scientific communication failed to improve everyday treatments. ***Hinge Q: Why did the Catholic Church find Gutenberg's printing press such a profound threat to traditional Galenic medical authority?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Renaissance Printing House with Movable Type (16th c.); Source B: Title Page of Philosophical Transactions, Vol. I (1665–1666); Source C: Robert Hooke's Engraving of a Flea from Micrographia (1665) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'The creation of the Royal Society was more important than the invention of the printing press in advancing medical ideas in the Renaissance.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'The creation of the Royal Society was more important than the invention of the printing press in advancing medical ideas in the Renaissance.' How far do you agree? E...**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 7 **KT2.2: Thomas Sydenham & The Art of Bedside Observation (1676)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain Sydenham's revolutionary emphasis on direct bedside clinical observation. • Analyze how Sydenham classified diseases into distinct species. • Evaluate the limits of Sydenham's practice: rational treatments alongside traditional humoral remedies. ***Hinge Q: Why did Sydenham's bedside method represent a direct break from traditional medieval medical education?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Portrait of Thomas Sydenham by Mary Beale (c1688); Source B: The Quack Physician by Jan Steen (1660s); Source C: Renaissance Municipal Hospital Ward ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Thomas Sydenham's bedside observation transformed medical practice in the seventeenth century.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Thomas Sydenham's bedside observation transformed medical practice in the seventeenth century.' How far do you agree? Explain your answer [16+4 marks].**
Lesson 8 **KT2.3: Andreas Vesalius & The Anatomical Revolution (1543)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain how Vesalius's hands-on dissection method overthrew medieval university traditions. • Analyze how Vesalius identified and corrected over 300 of Galen's anatomical errors. • Evaluate the impact of De Humani Corporis Fabrica (1543) and its critical limitations on medical treatment. ***Hinge Q: Why was Vesalius stepping down from the professor's pulpit considered an act of scientific rebellion?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Frontispiece of De Humani Corporis Fabrica (1543); Source B: Vesalius Muscle Men Plate (1543); Source C: Traditional Phlebotomy Man Diagram ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Andreas Vesalius's anatomical dissections were the most significant medical breakthrough of the Renaissance.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Andreas Vesalius's anatomical dissections were the most significant medical breakthrough of the Renaissance.' How far do you agree? Explain your answer [16+4 marks].**
Lesson 9 **KT2.4: William Harvey & The Circulation of the Blood (1628)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain how Harvey proved the heart acts as a mechanical pump driving closed blood circulation. • Analyze how Harvey used mathematical calculation to disprove Galen's liver theory. • Assess why Harvey met fierce resistance and why circulation had zero immediate impact on medical cures. ***Hinge Q: How did Harvey's view of the heart as a muscular pump reflect the mechanical mindset of the Scientific Revolution?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Vein Valve Experiments from De Motu Cordis (1628) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'William Harvey's discovery of the circulation of the blood was a turning point in medicine c1500–c1700.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'William Harvey's discovery of the circulation of the blood was a turning point in medicine c1500–c1700.' How far do you agree? Explain your answer [16+4 marks].**
Lesson 10 **KT2.5: Continuity in Treatment & The Great Plague of London (1665)** 🎯 CHANGE & CONTINUITY	• Analyze the organized civic and municipal public health response to the 1665 Great Plague. • Explain the persistence of medieval medical theories and ineffective treatments in 1665. • Evaluate the historiographical debate: Did 1665 show more change or continuity compared to 1348? ***Hinge Q: How did the municipal response in 1665 demonstrate greater civic organization than the response to the Black Death in 1348?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Night Burial in a Mass Plague Pit (1665); Source B: 17th-Century Plague Doctor (Schnabel von Rom) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Responses to the Great Plague of 1665 showed significant change compared to the Black Death of 1348.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Responses to the Great Plague of 1665 showed significant change compared to the Black Death of 1348.' How far do you agree? Explain your answer [16+4 marks].**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 11 **KT3.1: Ideas on Causes: Pasteur's Germ Theory & Koch's Microbe Hunters (c.1861–c.1883)** 🎯 CAUSATION & CONSEQUENCE	• Explain how Louis Pasteur's swan-neck flask experiments disproved Spontaneous Generation. • Analyze Robert Koch's forensic laboratory innovations and how they isolated specific pathogens. • Evaluate the Diagnostic-Therapeutic Lag: why understanding causes did not immediately produce cures. ***Hinge Q: Why was proving that air could still enter the swan-neck flask essential for defeating believers in Spontaneous Generation?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Louis Pasteur in his Laboratory (1885) by Albert Edelfelt; Source B: Robert Koch's Microphotographs of Tuberculosis (1882) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Explain one way in which ideas about the cause of disease in the late nineteenth century (c1860–c1890) were different from ideas in the Renaissance (c1500–c1700). [4 marks] ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Louis Pasteur's Germ Theory was more important than Robert Koch's discovery of specific bacteria in advancing medical understanding c1860–c1890.' How far do you agre...**
Lesson 12 **KT3.2: Approaches to Prevention: Edward Jenner & The Smallpox Vaccine (1796–1853)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Distinguish between smallpox inoculation (variolation) and Jennerian cowpox vaccination. • Analyze the multi-faceted opposition to Jenner's vaccine (religious, medical, and commercial). • Assess the role of the British government and the limitations of Jenner's breakthrough. ***Hinge Q: Why did commercial inoculators oppose Jenner's cowpox vaccine so aggressively in the early 1800s?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Portrait of Dr Edward Jenner (1802) by James Northcote RA; Source B: James Gillray: The Cow-Pock or the Wonderful Effects of the New Inoculation! (1802) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Edward Jenner's development of the smallpox vaccine was the most significant breakthrough in the prevention of disease in the period c1700–c1900.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Edward Jenner's development of the smallpox vaccine was the most significant breakthrough in the prevention of disease in the period c1700–c1900.' How far do you agr...**
Lesson 13 **KT3.3: Improvements in Hospital Care: Florence Nightingale, Mary Seacole & The Sanitary Revolution (1854–1863)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain how Florence Nightingale reduced mortality at Scutari during the Crimean War. • Analyze Nightingale's statistical innovation (the Coxcomb diagram) and Mary Seacole's frontline contribution. • Evaluate the long-term impact of the Pavilion hospital design and the St Thomas' Training School. ***Hinge Q: Why did mortality at Scutari fall to 2% only after the government Sanitary Commission flushed the sewers, rather than from nursing care alone?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Museum Reconstruction & Historical Plaque: Pre-Nightingale Hospital Conditions; Source B: Florence Nightingale in the Barrack Hospital at Scutari (William Simpson, 1856); Source C: Florence Nightingale's 'Coxcomb' Mortality Diagram (1858) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Florence Nightingale's sanitary reforms were the main reason for the improvement in hospital care in the nineteenth century.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Florence Nightingale's sanitary reforms were the main reason for the improvement in hospital care in the nineteenth century.' How far do you agree? Explain your answ...**
Lesson 14 **KT3.4: The Surgical Revolution: Simpson, Lister & The Conquest of Pain and Sepsis (1847–1870s)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain the three barriers to surgery (pain, infection, bleeding) and Simpson's discovery of chloroform. • Analyze why the conquest of pain triggered the disastrous "Black Period" of surgery. • Explain Joseph Lister's antiseptic system and the transition to aseptic surgery. ***Hinge Q: Why did religious critics object to using chloroform during childbirth, and how did Queen Victoria silence this opposition?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: James Young Simpson and Colleagues Discovering Chloroform (1847); Source B: Joseph Lister Operating with the Carbolic Acid Spray (1882) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Joseph Lister's antiseptic techniques were more significant than James Simpson's discovery of chloroform in revolutionizing nineteenth-century surgery.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Joseph Lister's antiseptic techniques were more significant than James Simpson's discovery of chloroform in revolutionizing nineteenth-century surgery.' How far do y...**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 15 **KT3.5: Public Health & Cholera: John Snow, The Broad Street Pump & The 1875 Public Health Act (1854–1875)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain how John Snow proved that cholera was transmitted by contaminated water in 1854. • Analyze why Parliament authorized Bazalgette's London sewer system after the Great Stink of 1858. • Evaluate the difference between the 1848 Public Health Act and the compulsory 1875 Public Health Act. ***Hinge Q: How did the zero death rate among workers at the Broad Street Lion Brewery disprove the theory that airborne miasma caused cholera?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: A Court for King Cholera (Punch, September 1852); Source B: Dr John Snow's Spot Map of the Broad Street Cholera Outbreak (1854); Source C: Joseph Bazalgette's London Main Drainage Sewer Works (1860s) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'The work of John Snow was the main reason for improvements in public health in the nineteenth century.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'The work of John Snow was the main reason for improvements in public health in the nineteenth century.' How far do you agree? Explain your answer [16+4 marks].**
Lesson 16 **KT4.1: Ideas on Causes: Genetics, DNA & The Human Genome Project (c.1953–present)** 🎯 CAUSATION & CONSEQUENCE	• Explain how Gregor Mendel's laws and 20th-century biochemistry established that genes carry hereditary traits. • Analyze the breakthrough of Rosalind Franklin, Maurice Wilkins, James Watson, and Francis Crick in discovering the double helix. • Evaluate the diagnostic and therapeutic impact of the Human Genome Project (1990–2003). ***Hinge Q: Why could Louis Pasteur's Germ Theory never explain conditions like hemophilia, sickle cell anemia, or Huntington's chorea?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Rosalind Franklin's Photograph 51 (May 1952); Source B: Watson and Crick's 1953 Double Helix Model ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Rosalind Franklin's X-ray crystallography was more important than Watson and Crick's model-building in the discovery of the structure of DNA.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Rosalind Franklin's X-ray crystallography was more important than Watson and Crick's model-building in the discovery of the structure of DNA.' How far do you agree? ...**
Lesson 17 **KT4.2: Lifestyle Factors & The Technological Revolution in Diagnosis (c.1900–present)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain the epidemiological transition and the role of lifestyle factors in modern disease. • Trace the development of diagnostic imaging from Röntgen's X-rays (1895) to Hounsfield's CT scanner (1971) and MRI. • Evaluate how non-invasive diagnostic tools eliminated exploratory surgery and changed clinical practice. ***Hinge Q: Why did chronic conditions like heart disease, lung cancer, and type 2 diabetes become Britain's primary killers only in the 20th century?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The First Clinical X-Ray: Bertha Röntgen's Hand (1895); Source B: Godfrey Hounsfield's Prototype EMI CT Scanner (1971) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'High-tech diagnostic machines were more important than public health lifestyle campaigns in combating disease in Britain c1900–present.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'High-tech diagnostic machines were more important than public health lifestyle campaigns in combating disease in Britain c1900–present.' How far do you agree? Explai...**
Lesson 18 **KT4.3: The Search for Magic Bullets, High-Tech Treatments & The Birth of the NHS (1909–1948)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain Paul Ehrlich's concept of "magic bullets" and how Sahachiro Hata discovered Salvarsan 606. • Analyze Gerhard Domagk's discovery of Prontosil (1932) and the development of sulfonamide drugs. • Evaluate the social and political struggle to establish the NHS on 5 July 1948. ***Hinge Q: Why was Salvarsan 606 described as a "magic bullet" compared to older chemical antiseptics like carbolic acid or mercury?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Paul Ehrlich and Sahachiro Hata in their Frankfurt Laboratory (1909); Source B: 1948 Ministry of Health NHS Information Leaflet; Source A: Archival Photograph: Paul Ehrlich in his Frankfurt Laboratory Developing Salvarsan 606 (1909) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'The establishment of the National Health Service in 1948 was the most significant turning point in medical care in the period c1900–present.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'The establishment of the National Health Service in 1948 was the most significant turning point in medical care in the period c1900–present.' How far do you agree? E...**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 19 **KT4.4: Case Study 1: The Antibiotic Revolution: Fleming, Florey & Chain and Penicillin (1928–1945)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Analyze Alexander Fleming's 1928 discovery of Penicillium notatum and explain why his research stalled. • Examine how the Oxford team (Florey, Chain, and Heatley) purified penicillin and conducted clinical trials. • Evaluate the role of World War II and US mass production in transforming penicillin into a globally available drug. ***Hinge Q: Why did Fleming's 1929 published paper on penicillin fail to trigger an immediate medical revolution in British hospitals?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Alexander Fleming's Original 1928 Penicillin Culture Plate; Source B: Industrial Penicillin Fermentation and Culture Racks (1944); Source A: Archival Photograph: Sir Alexander Fleming in his Laboratory at St Mary's Hospital (c.1943) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Alexander Fleming's accidental discovery was more important than the work of Florey and Chain in the development of penicillin.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Alexander Fleming's accidental discovery was more important than the work of Florey and Chain in the development of penicillin.' How far do you agree? Explain your a...**
Lesson 20 **KT4.5: Case Study 2: Public Health & The Fight Against Lung Cancer (c.1950–present)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain the surge of 20th-century lung cancer and how Doll and Hill proved the link to smoking. • Analyze the diagnostic and treatment arsenal deployed by modern oncologists. • Evaluate the role of government intervention in combating lung cancer compared to clinical cures. ***Hinge Q: Why did British physicians initially attribute the post-war surge in lung cancer to tarmac roads or motor exhaust rather than cigarettes?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: 1949 Vintage Cigarette Advertisement Featuring a Doctor; Source B: Modern Cigarette Packet with Mandatory Government Health Warning ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** 'Government public health legislation was more important than advances in medical treatment in the fight against lung cancer c1950–present.' How far do you agree? Explain your answer [16+4 marks]. ✍️ **CORE WRITTEN ASSESSMENT:** **[Evaluative Enquiry] 'Government public health legislation was more important than advances in medical treatment in the fight against lung cancer c1950–present.' How far do you agree? Exp...**
Lesson 21 **KT5.1: The Theatre of War: The British Sector, Trench Geography & Battles (1914–1918)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain why armies constructed trench systems and describe the structural layout of the British sector. • Analyze the strategic vulnerability of the Ypres Salient and the medical challenges of fighting in Flanders clay. • Assess the medical impact of major British offensives at the Somme (1916), Arras (1917), and Cambrai (1917).	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Aerial Reconnaissance Photograph of British Trench System near Ypres (1917); Source B: Photograph of a Flooded Communication Trench in the Ypres Salient (1917) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Core Disciplinary Concept: Historical Enquiry & Causal Argumentation ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**
Lesson 22 **KT5.2: The Trench Environment: Mud, Vermin & Non-Combat Illnesses (1914–1918)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain the cause, symptoms, and medical treatment of Trench Foot. • Analyze the transmission and impact of Trench Fever and Body Lice. • Evaluate the role of underground dressing stations and sanitation measures.	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Soldiers of the Cheshire Regiment Resting in a Frontline Trench at Ovillers (1916); Source B: Photograph of the Ramparts Underground Medical Dressing Station, Ypres (c.1916) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the role of underground dressing stations and sanitation measures. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**
Lesson 23 **KT5.3: Battlefield Trauma: High Explosive Shrapnel, Gas Attacks & Infection (1914–1918)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain how high-explosive artillery shells caused catastrophic soft-tissue wounds and compound fractures. • Analyze the microbiology of gas gangrene and tetanus in heavily manured Flanders soil. • Evaluate the physical effects and tactical evolution of chemical weapons and gas masks.	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Clinical Medical Record Photograph of Severe Gangrene in Lower Limb (c.1916); Source B: British Machine Gun Crew in Combat Wearing PH Gas Helmets (1916) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the physical effects and tactical evolution of chemical weapons and gas masks. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 24 **KT5.4: The Chain of Evacuation: Stretcher Bearers, RAP, Dressing Stations & CCS (1914–1918)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Describe the sequence and specific medical function of each station in the Chain of Evacuation. • Analyze the physical challenges faced by Stretcher Bearers in retrieving casualties under fire. • Evaluate the role of transport methods and Casualty Clearing Stations in saving lives.	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: RAMC Stretcher Bearers Carrying a Casualty at Boesinghe, Ypres (1917); Source B: Converted RAMC Ambulance Canal Barge on French Waterways (c.1916) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the role of transport methods and Casualty Clearing Stations in saving lives. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**
Lesson 25 **KT5.5: Surgical Breakthroughs: The Thomas Splint, Wound Debridement & Mobile X-Rays (1914–1918)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Explain why compound fractures were so lethal in 1914 and describe the mechanism of the Thomas Splint. • Analyze surgical excision (wound debridement) and the Carrel-Dakin antiseptic irrigation method. • Evaluate the role of mobile X-ray units in locating shrapnel and guiding surgical operations.	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: First World War Thomas Splint for Fractured Femurs (c.1916); Source B: Photograph of an Operating Theatre at an RAMC Casualty Clearing Station (1917) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the role of mobile X-ray units in locating shrapnel and guiding surgical operations. ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**
Lesson 26 **KT5.6: Lifesaving Innovations: Blood Storage, Brain Surgery & Plastic Reconstruction (1914–1918)** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Trace the progression of blood transfusion from direct donor matching to refrigerated blood banking at Cambrai. • Analyze Harvey Cushing's surgical breakthroughs in treating traumatic brain and skull injuries. • Explain Harold Gillies's pioneering plastic surgery techniques at Queen's Hospital, Sidcup.	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Captain Oswald Robertson's Blood Storage and Transfusion Apparatus at Cambrai (1917); Source B: Photograph of a Mobile Field Hospital X-Ray Unit in Operation (1917) ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Core Disciplinary Concept: Historical Enquiry & Causal Argumentation ✍️ **CORE WRITTEN ASSESSMENT:** **[Written Synthesis] Complete structured analytical enquiry response in pupil workbook.**

Paper 2: Early Elizabethan England, 1558-88

Year 11 | From religious division to the Armada: How did Elizabeth secure her throne?

🌀 **SPIRAL CURRICULUM THEMATIC STRANDS (VERTICAL DISCIPLINARY PROGRESSION)** CHRISTINE COUNSELL CURRICULAR THREADS

SOVEREIGNTY & POWER	TRADE & TECHNOLOGY	IDEOLOGY & CAUSATION	RESISTANCE & AGENCY
State institutions, governance, authority and constitutional development	Economic engines, technical innovations and overseas geopolitical interactions	Religious beliefs, philosophical movements and drivers of historical change	Popular protest, social struggle, rights development and civilian agency

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 1 **KT 1.1: The Situation on Elizabeth's Accession, 1558** 🎯 HISTORICAL SIGNIFICANCE (ELIZABETHAN SETTLEMENT 1559)	• Understand the rigid structure of Elizabethan society, the concept of the Great Chain of Being, and the mechanics of Tudor government, including the roles of the Court, Privy Council, and Parliament. • Analyse the intense challenges Elizabeth faced regarding her legitimacy, sixteenth-century gender prejudices against a 'Queen Regnant', and the political dilemma of marriage. • Evaluate the interconnected domestic and foreign threats facing England in 1558, specifically severe financial weaknesses, the loss of Calais, and the dangerous 'Auld Alliance' between France and Scotland. ***Hinge Q: How did the belief in the 'Great Chain of Being' help the Tudor monarchy maintain order without a permanent army or police force?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The Religious Divide ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the interconnected domestic and foreign threats facing England in 1558, specifically severe financial weaknesses, the loss of Calais, and the dangerous 'Auld Alliance' between France and Scotland. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of the role of the Privy Council in 1558. [2 marks] • 1(b). Describe one key feature of the financial weaknesses Elizabeth faced in 1558. [2 marks] • 2. Exp...**
Lesson 2 **KT 1.2: The 'Settlement' of Religion, 1559** 🎯 CAUSATION & RELIGIOUS VOLATILITY (PAPAL BULL & PLOTS)	• Understand the key features and impact of Elizabeth's religious settlement (1559), including the Act of Supremacy and the Act of Uniformity. • Analyse the crucial role of the Church of England in society, specifically its function in enforcing social control, managing Church courts, and conducting visitations. • Evaluate the nature and extent of the Puritan and Catholic challenges to the religious settlement, including the role of the nobility, the Papacy, and foreign powers. ***Hinge Q: Why did Elizabeth choose the title 'Supreme Governor' instead of 'Supreme Head', and who was she trying to appease?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The Act of Supremacy ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the nature and extent of the Puritan and Catholic challenges to the religious settlement, including the role of the nobility, the Papacy, and foreign powers. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of the Act of Supremacy (1559). [2 marks] • 1(b). Describe one key feature of the Royal Injunctions (1559). [2 marks] • 3. "The Religious Settlement was suc...**
Lesson 3 **KT 1.3: Challenge to the Religious Settlement** 🎯 SOURCE UTILITY & FOREIGN POLICY (ARMADA 1588)	• Understand the nature and extent of the Puritan challenge, focusing on their theological objections, the Crucifix Controversy, and the Vestment Controversy. • Evaluate the Catholic challenge at home, including recusancy and the rising threat of the northern nobility. • Analyse the existential threat from abroad, encompassing the Counter-Reformation, the 1570 Papal Bull of excommunication, and the looming shadow of foreign superpowers. ***Hinge Q: Why did the Puritans, despite their anger over crucifixes and vestments, refuse to actively plot to overthrow Elizabeth?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Papal Bull ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Understand the nature and extent of the Puritan challenge, focusing on their theological objections, the Crucifix Controversy, and the Vestment Controversy. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of the Puritan challenge to the Religious Settlement. [2 marks] • 1(b). Describe one key feature of the Papal Bull (Regnans in Excelsis) in 1570. [2 marks] ...**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 4 **KT 1.4: The Problem of Mary, Queen of Scots, 1568–69** 🎯 CHANGE & CONTINUITY (ELIZABETHAN SOCIETY & POOR LAWS)	• Understand the strength of Mary, Queen of Scots' claim to the English throne and why English Catholics viewed her as the legitimate monarch. • Explain the dramatic events in Scotland that forced Mary to abdicate and flee across the border into England in 1568. • Analyse the profound dilemma Mary's arrival created for Elizabeth, including the investigation into the 'Casket Letters' and the strategic decision to keep her in captivity. ***Hinge Q: Why did devout Catholics believe Mary, Queen of Scots was the true Queen of England, rather than Elizabeth?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Mary Queen of Scots ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Core Disciplinary Concept: Historical Enquiry & Causal Argumentation ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of Mary, Queen of Scots' claim to the English throne. [2 marks] • 1(b). Describe one key feature of the Casket Letters affair (1568–69). [2 marks] • 3. "The...**
Lesson 5 **KT 2.1: Plots and Revolts at Home, 1569–1587** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Understand the reasons for, and the significance of, the Revolt of the Northern Earls (1569–70). • Analyse the key features and significance of the Ridolfi, Throckmorton, and Babington plots. • Evaluate the methods used by Sir Francis Walsingham and his use of spies to uncover treason. • Explain the reasons for, and the immense geopolitical significance of, Mary, Queen of Scots' execution in 1587. ***Hinge Q: Which Protestant Bishop of Durham did the Northern Earls strongly resent?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The Northern Earls ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the methods used by Sir Francis Walsingham and his use of spies to uncover treason. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of the Revolt of the Northern Earls (1569). [2 marks] • 1(b). Describe one key feature of the Babington Plot (1586). [2 marks] • 2. Explain why Mary, Queen ...**
Lesson 6 **KT 2.2: Relations with Spain, 1569–1585** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Understand the complex roots of the Anglo-Spanish conflict, focusing on religious, political, and commercial rivalry. • Explain the significance of English involvement in the Netherlands, specifically the 1585 Treaty of Nonsuch. • Analyse the causes and Philip II's strategic plan for the Spanish Armada. • Evaluate the reasons for the Armada's catastrophic failure, weighing English tactics against Spanish mistakes and the weather. ***Hinge Q: Why did Francis Drake's circumnavigation significantly worsen relations between England and Spain?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Philip II of Spain ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the reasons for the Armada's catastrophic failure, weighing English tactics against Spanish mistakes and the weather. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of English privateering against Spain. [2 marks] • 1(b). Describe one key feature of Francis Drake's raid on Cadiz (1587). [2 marks] • 3. "Commercial rivalr...**
Lesson 7 **KT 2.3: The Outbreak of War with Spain, 1585–1588** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Understand the reasons for deteriorating relations with Spain, focusing on religious shifts, the Genoese Loan, the assassination of William of Orange, and the Treaty of Joinville. • Analyse the significance of English direct involvement in the Netherlands through the 1585 Treaty of Nonsuch and the actions of Robert Dudley. • Evaluate the strategic impact of Francis Drake's preemptive raid on Cadiz in 1587 ('Singeing the King of Spain's beard'). ***Hinge Q: What did Elizabeth seize from Italian ships sheltering in English ports in 1568?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Francis Drake ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the strategic impact of Francis Drake's preemptive raid on Cadiz in 1587 ('Singeing the King of Spain's beard'). ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of the Treaty of Nonsuch (1585). [2 marks] • 1(b). Describe one key feature of Robert Dudley's campaign in the Netherlands. [2 marks] • 2. Explain why Engla...**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 8 **KT 2.4: The Spanish Armada: Strategy, Conflict & Defeat, 1588** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Understand the complex, overlapping reasons why Philip II finally decided to launch the Spanish Armada in 1588. • Analyse the Spanish invasion plans, highlighting the critical logistical flaws from the very beginning. • Evaluate the intersecting reasons for the English victory, weighing English tactics against Spanish mistakes and the weather. • Explain the immense domestic and international consequences of the Armada's defeat. ***Hinge Q: Which Pope gave his blessing to the Armada, turning it into a Catholic crusade?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The Spanish Armada ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the intersecting reasons for the English victory, weighing English tactics against Spanish mistakes and the weather. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of the Spanish Armada's crescent formation. [2 marks] • 1(b). Describe one key feature of English naval tactics during the Armada campaign. [2 marks] • 3. "...**
Lesson 9 **KT 3.1: Education and Leisure in Elizabethan England, 1558–1588** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Understand the purpose of Elizabethan education and the influence of Humanist thinking and the printing press. • Analyse how the schooling system (Petty schools, Grammar schools, and Universities) was strictly divided by class and gender. • Explain the differences in leisure and sports between the nobility and the lower classes, including the universal popularity of 'cruel sports'. • Evaluate the reasons for the sudden explosion of the Elizabethan theatre and why it provoked such fierce opposition from Puritans and city authorities. ***Hinge Q: What movement acted as a catalyst for educational reform in Elizabethan England?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Elizabethan Theatre ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the reasons for the sudden explosion of the Elizabethan theatre and why it provoked such fierce opposition from Puritans and city authorities. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of Elizabethan grammar schools. [2 marks] • 1(b). Describe one key feature of Elizabethan theatres. [2 marks] • 2. Explain why education expanded in Elizabe...**
Lesson 10 **KT 3.2: The Problem of the Poor and Vagrancy, 1558–1588** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Understand the economic and demographic causes of the poverty crisis, focusing on population growth, inflation, and the devastating impact of enclosure. • Analyse contemporary Tudor attitudes towards the poor, specifically the strict division between the 'deserving' (impotent) and 'undeserving' (able-bodied) poor. • Explain the reasons behind the public terror of vagabonds. • Evaluate the significance of Elizabeth's changing policies, specifically the 1572 Vagabonds Act and the 1576 Poor Relief Act. ***Hinge Q: What agricultural practice involved landlords fencing off common fields, leading to mass evictions?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The Poor Law ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the significance of Elizabeth's changing policies, specifically the 1572 Vagabonds Act and the 1576 Poor Relief Act. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of the 1572 Vagabonds Act. [2 marks] • 1(b). Describe one key feature of the 1576 Act for Relief of the Poor. [2 marks] • 3. "The main reason for the increa...**

Lesson Number & Title	Learning Objectives & Enquiry	Curriculum Rigour: Evidence, Debate & Assessment
Lesson 11 **KT 3.3: Exploration and Voyages of Discovery, 1558–1588** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Understand the factors that prompted Elizabethan exploration, focusing on new technology, expanding trade, and privateering. • Explain the reasons for, and the immense geopolitical significance of, Francis Drake's circumnavigation of the globe. • Analyse the reasons behind Walter Raleigh's attempts to colonise Virginia. • Evaluate the intersecting reasons for the catastrophic failure of the Virginia colonies, weighing poor planning against Native American resistance and the Spanish war. ***Hinge Q: What navigational instrument allowed sailors to determine their latitude using the stars?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: The Golden Hind ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the intersecting reasons for the catastrophic failure of the Virginia colonies, weighing poor planning against Native American resistance and the Spanish war. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of new navigational technology in the Elizabethan era. [2 marks] • 1(b). Describe one key feature of Drake's circumnavigation of the globe. [2 marks] • 2. E...**
Lesson 12 **KT 3.4: Raleigh and the Colonisation of Virginia, 1584–1590** 🎯 HISTORICAL ENQUIRY & ANALYSIS	• Understand the significance of Sir Walter Raleigh in planning, promoting, and financing the Virginia colonies. • Analyse the economic, political, and strategic reasons for the attempted colonisation of North America. • Evaluate the intersecting reasons for the catastrophic failure of the 1585 and 1587 expeditions, weighing poor planning against Native American resistance and the Spanish Armada. ***Hinge Q: In what year did Queen Elizabeth grant Walter Raleigh a Royal Charter?***	📜 **PRIMARY EVIDENCE & SOURCE ANALYSIS:** Source A: Roanoke Colony ⚖️ **DISCIPLINARY DEBATE / HISTORIAN FOCUS:** Evaluate the intersecting reasons for the catastrophic failure of the 1585 and 1587 expeditions, weighing poor planning against Native American resistance and the Spanish Armada. ✍️ **CORE WRITTEN ASSESSMENT:** **1(a). Describe one key feature of Walter Raleigh's plans for colonising Virginia. [2 marks] • 1(b). Describe one key feature of the failure of the 1585 Roanoke settlement. [2 marks] • 3. ...**
