1. What is meant by the term 'Divine Right of Kings'?

2. Who became King after the English Civil War ended and Oliver Cromwell died?

3. Why did the Gunpowder Plot of 1605 fail?

4. What was the significance of the Magna Carta signed in 1215?

5. Why did Henry VIII break away from the Catholic Church?

Vocabulary Check

Write a short paragraph using at least *FOUR* of the vocabulary words below correctly.

Industrial Revolution | Pig Iron | Wrought Iron | Puddling Process | Rolling Mill

Q1. Why was James Watt's improvement of the steam engine so significant for the location of factories?

Q2. Why did Henry Cort decide to take over the Funtley Ironworks in 1775?

Q3. What two major inventions did Henry Cort patent at Funtley in the 1780s?

Q4. Study Source A. How does the physical design of the puddling furnace show that Cort was trying to solve the problem of 'pig iron' impurities?

KNOWLEDGE CHECK (Q5)

What was the primary purpose of the 'Puddling Process' invented by Cort?

- ☐ A. To hammer the iron into shape by hand.
- ☐ B. To stir molten iron and burn off carbon impurities.
- ☐ C. To make iron brittle and easy to snap.
- ☐ D. To import iron from Sweden more efficiently.

Q6. Why did Cort die in poverty despite his world-changing inventions?

Q7. Why were Henry Cort's inventions so vital to the growth of the British Empire?

Q8. Write a structured paragraph answering the following: "To what extent was the proximity to the Portsmouth dockyards the most important factor in the success of the Funtley Ironworks?"

Q9. Chronology Challenge: Place the following in the correct causal order and write one sentence explaining how each led to the next: Watt's Steam Engine, The Domestic System, Cort's Puddling Furnace.

Writing Practice

Exam Q1. Describe one feature of the domestic system. (2 marks)

Exam Q2. Describe one feature of Henry Cort's puddling process. (2 marks)

2. Why did Henry Cort specifically choose to locate his ironworks near Fareham?

3. What tragic event caused Henry Cort to lose his patents and die in poverty?

4. What was the primary cause of the English Civil War?

5. What was the result of the Spanish Armada in 1588?

Vocabulary Check

Write a historically accurate sentence connecting two terms from the glossary box below.

Fareham Reds | Pug Mill | Primary Source | Historiography | Factory Acts

Your Sentence:

Q1. What was the main difference between the child labour used in the 'domestic system' compared to the new 'factory system'?

Q2. How useful is the 1832 Sadler Report for a historian studying the reality of child labour?

Q3. Sort the following factors into the correct chronological order to explain the boom in Fareham's economy: A) Railways are built to transport heavy goods, B) London's population explodes, C) Fareham Reds are used to build the Royal Albert Hall, D) Massive demand for building materials is created.

Q4. Why might a historian need to look at BOTH a national interview (like the Sadler Report) AND a local document (like the 1881 Fareham Census) to fully understand child labour?

Q5. Write a structured paragraph answering: 'To what extent was the Industrial Revolution a punishment rather than progress for the working classes?'

Writing Practice

Exam Q3. Explain why child labour was so prevalent during the early Industrial Revolution. (8 marks)
