FOR PUPILS

It is important to appreciate and remember that when on residential visits, you are representing yourself, your school and if travelling abroad, your country also. The way you conduct yourself will have a lasting impression on those with whom you come into contact. It may also have implications for your personal health and safety as well as that of staff and other pupils on the visit. Given this, it is vital that all pupils participating on residential visits agree to and follow the code of conduct. This is especially important as there may be times when a teacher is not in your company and you are not under direct supervision.
